

## **Friends of Great Ashby – Task Instruction & Waiver**

Friends of Great Ashby (FoGA) are undertaking this task on behalf of Countryside and Rights of Way (CRoW), of Herts County Council.

The task should be simple gentle & within your capabilities. It is important that you read the risk assessment & ensure you have the right protective clothing & equipment, proper instruction & only do what you can.

We all have an obligation to ensure that our actions do not put other volunteers, staff, or the public at risk.

- If you are injured or witness someone else being injured because of the work you are involved in, report this immediately to your task leader.
- If you see a hazard or accident waiting to happen, please warn colleagues and your task leader

By agreeing to volunteer you agree to take responsibility for yourself, take due care & diligence of others and to work according to the CRoW instructions.
